

01 August 2011

Appointment in the Komasa Group

Tomas Forsgård (44) has been appointed Production Manager of the Komasa Group. His responsibilities will include managing the Group's production and developing production efficiency and competitiveness.

Forsgård has previously worked as deputy managing director in charge of Kemira Oyj's operations in China (stationed in Shanghai). Before that, Forsgård worked in operational and managerial duties related to development and marketing at Kemira and UPM Kymmene.

Tomas Forsgård will start work in the Komasa Group on 15 August 2011, and he will report to CEO Mika Kari.
